Yes Yukon, Christmas is Back!

Chilliest Kick off a Success with 5k, Carnival and of course lighted park tour!!

What many have said was the coldest opening yet, the Chill Your Cheeks 5k Run finally "chilled" the runners! The Opening of Christmas in the Park kicked off with the Chill Your Cheeks, Jingle Walk and Kris Kringle Karnival. Turnout

was still high even through the first big "chill" of the year.

To volunteer in the lights, call 350-8937

Philharmonic, Mayor's and the big rush...Still to come!!

In case you missed opening weekend, there are still several "Christmas in Yukon" opportunities.

Mayor's Christmas Party for Kids is Saturday, December 7th at the Robertson Activity Center.

The Sound of the Season with the OKC Philharmonic is Thursday, December 19th at 7:30 PM inside the Yukon Fine Arts Auditorium. Special guest scheduled to appear this year include: George Dvorksy and Gwendolyn Jones.

All tickets are \$5 and available at all Parks & Recreation Locations and YNB locations.

Don't forget that Christmas in the Park runs nightly from 6-11 PM through December 31st inside Yukon's 3 park complex.

Friends helping Friends...Diaper Drive

Help Friends of the Park assist The Children's Center!

Yukon Friends of the Park is assisting with a "Diaper Drive" for The Children's Center in Bethany. The center is asking for Pampers and Huggies diapers. The center serves children

through the age of 17, so any size diapers are welcomed.

The Children's Center brings kids out to the Spirit League to participate in bowling and baseball each year.

Donations of diapers may be dropped off at any Parks & Recreation location.

Merry Christmas to the Parks

Update on the improvements and additions to Yukon Parks!

Sunrise Splash Pad

Construction is underway, to date: Restroom/pump building foundation is poured, the shelter frames are up and the splash features have arrived!

Yukon Horseshoe Pits

The Pits are complete with the awarding of the 2014 State Tournament! Improvements included: 12 concrete courts, fence, sod, lights, signage, picnic tables, sidewalk and bleachers. Jackie Cooper Gym

The A/C is near completion, roof repairs are close to starting and the new floor design has been picked.

Winter Spring Activity

Brochure Now Available

Pick one up at any Parks & Recreation location or online!

The Winter/Spring 2014 Activity Guide is revamped for the new year. The entire brochure has a new smaller, yet easier to handle size as well as full color throughout.

The guide gives you the 101 on everything Parks & Recreation in Yukon from events to programs to parks to rentals.

Pick yours up today at any Parks & Recreation facility or online at www.CityofYukonOK.gov to view, download or print.
